Please initial each space and sign below to acknowledging that you have read and understand the information stated below.

- ➔ I understand that this is a negative reinforcement training that employs the use of an electric collar which may cause dogs to yelp and/or jump.
- ➔ I understand that while this is the standard method to teach dogs snake avoidance, results may vary. I further acknowledge that the training provided is in no way a guarantee that my dog(s) will avoid snakes which they may encounter in the future and they could be injured or killed in the event of snakebite.
Subsequent reinforcement training, for an additional fee, is recommended and sometimes required.
- ➔ I agree to carefully follow all directions given by the dog trainers, snake handlers and volunteers to avoid accidents.
- ➔ I agree to constrain my pet properly on a leash or in a kennel while on location for the training to avoid property damage or conflict with other dogs, training snakes or surrounding areas. Additionally, I understand that if my failure to properly constrain my pet results in any property damage or injury of humans or animals, that I personally assume all financial responsibility resulting as a consequence of my actions.
- ➔ I agree to indemnify and hold harmless any and all parties sponsoring or participating in this training clinic in the unlikely event of personal property damages or bodily injury to humans or dogs that may occur before, during or after the training.
- ➔ I understand that management reserves the right to withhold training exclusively at their discretion and full refunds will be made in the event training is withheld.
- ➔ I understand that my photograph or that of my dog(s) may be used for publicity or educational purposes unless I indicate otherwise.
